1, 400 SF commercial suite in a well-established location with a versatile layout ready for a variety of uses. Formerly operated as a tanning salon, the space is already configured in a way that could work exceptionally well for a veterinary clinic, retail business, professional office, or other service-oriented use. The existing layout provides a great starting point for a new tenant. A flexible opportunity for an investor or business owner looking for a functional commercial space with excellent potential.
