MLS# 200EFO

$805,000

A great location for all things SpaceX in more ways than one! Strategically situated along Hwy 333 about 8 miles south of Abbeville near Intracoastal City and just 20 minutes from SpaceX's planned Starbase, La in Pecan Island! This tract with 565' of frontage on Hwy 333 on its south and an additional 706' of frontage along E Chapel Road on its north line offers a multitude of potential opportunities and uses. Subject to parish approvals and permits this property could make for a prime RV resort, worker/man camps, industrial park, laydown yard, equipment staging, or possibly all of the above with multiple tenants! Great investment and/or end user destination being just 20 minutes from the entrance to what is expected to be one of, if not the largest launch facility in the world right here in Vermilion Parish!
