Cute 3-bedroom home on a great neighborhood street! Features a large living room with a cozy wood-burning fireplace and an oversized kitchen with a center island. Includes a spacious bonus room with its own private bathroom previously used as a game room with a full-size pool table, offering endless possibilities as a primary suite, guest room, or entertainment space.Functional Layout Options for the Bonus Room: Private Guest / In-Law Suite: Leverage the attached full bathroom to create an independent living area with a queen/king bed, sitting area, and mini-bar. Entertainment & Game Room: Restore its original purpose with a pool table, shuffleboard, media console, and wet bar. Home Office / Studio: Set up an expansive multi-desk workspace or creative studio with private facilities so you never need to leave the room during the workday. Primary Suite Alternative: Convert the space into a primary retreat separated from the other three bedrooms.
