Tip-top shape! This this beautiful West Village residence features an open-split floor plan that includes a living room with a ventless gas fireplace. The immaculate, well-planned kitchen has a slide-in gas range, stainless appliances, quartz countertops, custom hood vent and custom cabinets. The spacious main suite has a lavish bathroom and walk-in closet. Kick back on the fenced in patio that the owner extended with a deck. It's perfect and move-in-ready home! Bonus for swimmers: The pool is only a few steps away!
