3 Bedrooms | **2** Bathrooms | **1,724** Sqft

Welcome to this beautifully crafted, brand-new home by Signature Series Homes, where elevated design meets everyday livability. Thoughtfully designed with a desirable split floor plan, this 3-bedroom, 2-bath residence offers 1, 724 square feet of well-planned living space on a large lot in the sought-after Mon Cherie Subdivision. Step inside to discover open-concept living filled with natural light, modern architectural lines, and the refined finishes that Signature Series Homes is known for. The spacious primary suite is privately tucked away and features a spa-inspired bathroom and generous walk-in closet, creating the perfect retreat. Enjoy outdoor living on your covered patio, ideal for entertaining, grilling, or relaxing after a long day. With plenty of yard space, there is room to personalize your outdoor oasis. This home delivers the quality, style, and new-construction peace of mind buyers are looking for all at an affordable price point rarely found in today's market. Now pre-selling secure your opportunity to own a brand-new Signature Series home before completion.
