5 Bedrooms | **3.5** Bathrooms | **4,356** Sqft

This spacious 5-bedroom, 3.5-bath home sits on 2 acres and offers plenty of room, privacy, and potential for comfortable country living. With no HOA, there's room to make the property your own and bring your vision to life. The home offers a generous amount of living space, while the backyard features a workshop and an additional living area with its own kitchen and separate living space, perfect for guests, extended family, a home office, hobby space, or whatever best suits your needs. The property does require work and updating, but with the right vision and improvements, it has the potential to become a wonderful country retreat. If you're looking for space, flexibility, and a property you can truly make your own, this one is worth a look.
