Move-In Ready Country Living on 3 Acres in Rural Acadia Parish! Room to breathe, space to spread out, and a home that's ready for you to unpack. This 3-bedroom, 2-bath single wide manufactured home sits on 3 peaceful acres with a fenced yard, perfect for kids, pets, or gardening. Fresh interior paint gives the home a clean, bright feel, and the full concrete slab foundation provides a solid base. Major updates are already done: the roof was replaced approximately 8 years ago and the HVAC approximately 4 years ago, so you can skip the big-ticket worries. Outdoor living is where this property shines. Relax on the front porch, entertain under the large covered patio, or park everything in the 2-4 car carport. The 24'x24' workshop is ideal for projects, hobbies, storage, or running a home-based business. If you've been looking for acreage, outbuildings, and a home that needs nothing but your furniture, this is it. Schedule your showing today!
